## General Details

As numerous other reviews have said Chloe is a knock out. Long, lean and very sexy. If you like porn then these two are your private show. A lot of fun and I will repeat when they are back in my town.

## The Juicy Details

Chloe and Oliver had traveled through my town twice before but my schedule didn't allow us to get together. Third time was the charm and I'm glad I got to see them. Contact was with an email from Chloe that they would be in town the following week as she knew I was interested. They were staying at a nice hotel in town and I scheduled an hour for late afternoon. Must admit I was a little apprehensive about how it would go. Got to the hotel lobby and called Chloe for the room number and up I went. Met by a gorgeous tall and lean babe and her very nice and laid back partner. Started out with some small talk to break the ice and I think for them to size you up. Oliver excuses himself briefly to the bathroom and fortunately I guess I passed muster because Chloe offered for me to get up close and personal during the session for an extra fee. Can't touch her face or genitals but you can get naked on the bed with them. Oliver comes back and the clothes start coming off, both them and me, and Chloe starts with a BBBJ on Oliver. They go through various positions and I'm allowed to massage Chloe's perky tits, smack her tight ass and massage her long and lean legs. At one point she is on all fours hovering over me and rubbing her tits on my chest while Oliver is pounding her from behind. Lord I don't know how Oliver lasts so long! Eventually Oliver cums in her mouth and then retreats to the bathroom to clean up. You are left alone with Chloe who starts talking dirty to you with cum on her lips and encourages you to cum for her. Didn't take long for me to do as I'm told! I clean up and get dressed. Chloe puts just her panties back on and Oliver comes out to join her on the bed and we chat a bit longer. We say our goodbyes and I get a nice hug from Chloe when I leave. It was really a lot of fun. They make you feel very comfortable with whole routine. I will definitely repeat when they come back through town.
