General Details

Met in a nice upscale stamford ct hotel and initial talk turned into a great show between Chloe and Oliver. Voyeur experience that is well worth it and would repeat.

The Juicy Details

After some small talk, Oliver commands Chloe to get undressed and give him a BJ followed by incredible sex between them in missionary, lying doggy, sitting. Oliver likes to dominate Chloe and she enjoys that with a smile on her face as he pummels her. Chloe lyed on top of me while being enjoyed and allowed me to touch her while she moaned a great deal After Oliver came on her face with a great BJ, she turned to me and encouraged me to come as well which I was happy to oblige. The expression on her face and cum dripping from her mouth is fantastic scene. A unique experience and I will certainly repeat when they are in town. If you enjoy being a voyeur up close, they are the best and not to be missed.
