## General Details

Very easy to reach out to by email and constant contact.  
I emailed Chloe inquiring about a visit for a couple of days later in the week and she quickly responded and we stay in contact via emails until the wonderful day arrived. Chloe emailed me the location details the evening before our day to meet. I arrived at the hotel on time and contacted her for the room number which she quickly responded to. I made my way to their room and was greeted by the both of them. We exchanged our hellos and then I was invited into the bedroom where the show began. Definitely a repeat for me.  
Vips read on.

## The Juicy Details

Once we entered the bedroom I sat down on the edge of the bed across from the bed where the display would take place. We talked for a few minutes to get comfortable and acquainted with one another and then it began. Oliver asked Chloe if she was ready to get fucked and she said yes. They kissed for a minute while she stroked his cock through his pants. Then they both undressed. She started by sucking his cock BB and he seemed to enjoy it very much. Oliver throat fucked her deep and would hold her there with his cock buried in her throat for what seemed like minutes. Each time he would pull out you could see the saliva coming from her mouth. He throat fucked her in several positions and angles with the best being when Chloe layed on the bed on her back with her head hanging off the bed. You could see her throat bulge everytime he thrust in. Oliver then had Chloe sit on the edge of the bed while he began to feast on her amazing pussy. Chloe experienced several climaxes as she would squeeze her legs around his head. He then had her get in the doggie position and instructed her to spread her pussy and ass open for me to see. OMG!! They are truly a couple who love to fuck one another and it really shows. Oliver fucked her in every position allowing me to see everything. My absolute favorite was CG. I loved watching her bounce up and down only inches from my face. The way her pussy gripped his cock was incredible. Once he was nearing the end he pulled out and stood on the bed and she received her reward in her mouth while letting his cum drip down onto her tits and stomach. We sat a little and talked afterwards. Definitely a MUST SEE. I WILL BE BACK as soon as they come back in town. A++++ I tried to rate them as 10's but it wouldn't let me for whatever reason. They are 10's in my book.
