General Details

Saw on the ads they would be in town. Sent an email and received quick reply and the setup process was smooth and easy. Arranged all thru email until the day of and then text the rest. Easy to find incall. Waited in the lobby for go ahead. When I got to the room I was pleasantly surprised. Chloe is gorgeous. Sat and we chatted about SoCal and weather and went over the rules and off to the races. My first experience and will def repeat. VIP read on.

The Juicy Details

After going over the rules Chloe and Oliver started getting undressed. She made eye contact a lot with me which was a huge turn on. They started with oral on each other, a quick 69. The noises they were making drove me wild. After a while they started DS, Chole has a fantastic ass, one particular position stuck out and that was when she bent over on the corner of the bed while Oliver DS her from the back. Then I directed the action a bit, I requested DS on the bed while she played with herself, so hot! Then I ask for a facial which they quickly complied with. Afterward Oliver went to freshen up almost as to give some time for Chole to finish me up. She has cum on her face which was so hot and I had her bend over on the corner of the bed and play with herself while I finished myself off with some dirty talk. It was a good finish. I thoroughly enjoyed my time with them. They are a nice couple and I will most definitely repeat the next time they are in town.
